COVER LETTER

Dear Sir,

I want to introduce myself to you as I believe I have the **skills, qualifications, and experience** necessary to make a **significant contribution** to your organization.

I have completed my **BSc. in CSE** degree from the Department of **Daffodil International University**. My keen interest in **Web Development and Search Engine Optimization** has enabled me to develop a good knowledge of **development, design, WordPress management, and content writing**.

I have more than **5+ years of experience** developing creative & complete websites with **HTML, CSS, BOOTSTRAPS, JavaScript, WordPress themes, and plugins**. I have created more than **100+ websites** using WordPress for both my clients and company.

Besides, I'm an **SEO Expert** and **Professional Content Writer**. I have written so many **WordPress themes and plugins related blog posts & articles**. However, I can assure you that I am a **quick learner, adaptive, and energetic person**.

I am **enclosing** my complete **Curriculum vitae with the photograph**. I believe working in a reputed organization like yours will provide me an excellent opportunity for my career.

I would indeed be grateful if I select for that post, and I will prove myself to be an **essential asset** to your company through my **dedication, sincerity, and the highest level of professionalism**.

Yours faithfully,

Showmik Hassan
